The Debtor Cindy Yunkong Ikeoka is requesting additional time in order to pursue Chapter 11 status. I have been speaking with attorneys who specialize in Chapter 11 such as the Fuller Law Firm, with Mr. Sam Taherian, located in San Jose California. I also have appointments with other Chapter 11 attorneys so I can discover the best fit. Chapter 13 is not the proper place for my case although I have been given conflicting advice in the past on this matter.

I would request that the court extend me and additional 60 days to file a **Motion to Convert** to Chapter 11.

It has been a time consuming process to find and work out the numbers with a suitable attorney. Thank you for your consideration in this matter.

Respectively submitted,
